TO WHOM SO EVER IT MAY CONCERN

The badminton court construction project undertaken by Aji Base Construction for our company has been successfully completed.

This project was initiated on 03/04/2023 and was completed within the stipulated timeframe of 3 months, demonstrating the dedication and efficiency of the team. The construction process was executed with precision, and the quality of workmanship is commendable. We are highly satisfied with the outcome, which meets all our expectations and requirements.

We express our gratitude for the work carried out by Aji Base Construction and the same is appreciated.
